ALL PROGRESSIVES CONGRESS' CAMPAIGN COUNCIL

MOBILISATION AND STRATEGIC FRAMEWORK

(CAMPAIGN COMPOSITION)

**...Deepening The Disruptive Innovation Of His Excellency,
Dr. Barr. Peter Ndubuisi Mbah**

...TOMORROW IS HERE.

Prepared By The Enugu State APC Campaign Council

October 2026

OUR CHARGE

As we prepare for 2027 General Election, the campaign for the re-election of His Excellency, **President Bola Ahmed Tinubu, GCFR**, and His Excellency, **Dr. Barr. Peter Ndubuisi Mbah**, and the victory of all candidates in the polls, calls for unity of purpose, disciplined service, and the active participation of every stakeholder. Our strength will not rest on a few prominent names, but on the **collective commitment of all persons** entrusted with various responsibilities. All party men and women hold a very critical stake, and such remains a veritable force towards our victory come January 16th and February 6th, 2027.

This administration and the Party repose great trust in every member of this broad campaign family. **The size of the team is deliberate**: it reflects the conviction that every community, ward, local government area, professional group, support organisation, youth body, women's group, elder, party faithful and person of goodwill must be seen, heard and meaningfully engaged. Appointment into the campaign structure is therefore not merely an honour; it is a call to duty, accountability and measurable contribution.

Each stakeholder has a distinct but complementary role: to communicate the administration's record with clarity and integrity; listen respectfully to the aspirations of the people; mobilise participation peacefully and lawfully; strengthen confidence in the Party; resolve differences through consultation; and ensure that no community or constituency is left behind.

Leadership at every level must be exercised with humility, inclusion and respect. The mandate entrusted to the campaign team must never become a platform for rivalry or self-promotion, but an instrument for coordination, persuasion, service and the consolidation of public trust.

It is important to note that **this list is endless**, as our goal is to ensure that all party faithful and lovers of the Renewed Hope Agenda and the Disruptive Innovation of Their Excellencies are formally boarded in this cruising ship to victory.

We shall remain as the proverbial broom of unity bound in sustaining the very proud legacies and victories of our Party, under the leadership of Their Excellencies, President Bola Ahmed Tinubu, GCFR, and Governor Peter Ndubuisi Mbah.

...let the broom revolution permeate all homesteads.

TOMORROW IS HERE.

To the right of the map are four circular icons with corresponding text: a bridge icon for 'BETTER INFRASTRUCTURE', a group of people icon for 'MORE OPPORTUNITIES', a bar chart icon for 'A BRIGHTER TOMORROW', and a leaf icon for 'A STRONGER ENUGU TOGETHER'. On the left side of the map, there is a quote: 'PETER MBANI: WE DEY SEE AM!'. At the bottom of the logo, it says 'GROW HERE' in large letters.
